Winner—B. f. by Hastings—Nineveh (trained by H. T. Griffin).

Went to post at 2:00. At post 2 minutes. Start poor. Won easily; second driving. Nine Spot broke slowly, but made up ground gradually and went around the field on the stretch turn, closed up fast in the stretch run and was going away at the end. Star and Garter showed surprising improvement, was much used in early racing and could not quite last. Miladi Love ran well, but was tiring at the end. The Guardsman was taken up too fast in the first quarter and tired when it came to the final drive. Flara showed improvement. Scortie was crowded at the start, but closed up ground when settled to running and finished fast. Cottage Maid got off poorly. It was a poor race for Gloriosa.

Scratched—42843 Fortunatus, 105; 42788 Blue Victor, 103; 42085 Fuego, 101; 41854 Courtmaid, 100; 42770 Widow's Mite, 96.

Corrected weights—Nine Spot, 103.

Overweights—Eminence II, 2 pounds.

Winner—Ch. c. by Goldcrest—Notre Dame (trained by J. McLaughlin).

Went to post at 2:30. At post 4 minutes. Start good. Won driving; second easily. Gold Dome received the benefit of a strong ride and that won for him, as he was all out and doing his best at the end. Gananogue improves with each race, stood a long stretch drive gamely and was wearing the winner down at the finish. Niskayuna tired in the final drive after being a sharp contender all the way. The next half dozen were closely bunched and pressing each other at the end. Conklings closed a big gap after slow to begin. Cedar Rapids has been overrated.

Scratched—42830 Yellow Hammer, 112; 42753 Coppelia, 109; 42714 Prince Salm Salm, 109.

Overweights—Queen Belle, 1 pound.

Time, 2:53.

Winner—B. c. by Handspring—Lady Gay (trained by W. Garth).

Went to post at 3:00. At post 1 minute. Start good. Won easily; second the same. Trapezist won as if he outclassed his company, fenced well and showed much speed between jumps and was eased up at the end. Draughtsman ran his usual good race, but had no chance to beat the winner and was eased up in the last hundred yards. Meteorite should improve from this race, fenced well and finished fast. Alene Abbott went down at the second jump. The others cut no figure in the race.

Scratched—C. C. Crolley, 151; 42827 The Rival, 137.

Corrected weights—Meteorite, 143.

Draughtsman, show, 1 to 2. Meteorite, show, 6 to 1.

Winner—B. c. by Handsel—Alvaretta (trained by A. J. Goldsborough).

Went to post at 3:25. At post 5 minutes. Start good. Won easily; second the same. Alvaretta ran the best race of his career, outbroke his company, forced a fast pace all the way and was under restraint at the end. Coppelia displayed improvement. Shut out right after the start, she made up ground and closed up fast in the stretch, but was eased slightly when Redfern saw he had no chance to beat the winner. Peter Paul was plainly short and should improve from this race. Marjoram was a sharp contender to the final furlong, when she tired under a drive. Silverfoot was close up because the others were pulling up. Juvenal Maxim worked fast for this race, but did not race to expectations. It was too much weight for Harangue.

Scratched—42808 Oriskany, 114; 42808 Silver Dream, 118.

Corrected weights—Silverfoot, 97.

Winner—Ch. c. by Racine—Rose Bud, by Wildidle (trained by B. Littlefield).

Went to post at 3:55. At post 2 minutes. Start good. Won handily; second easily. Dramatist, in good form at present, showed the most speed, was well rated throughout and finished resolutely. Fortunatus made a determined effort in the final furlong, but tired in the last hundred yards. Cloverland hung on well at the end under punishment. Hackensack came fast at the end and would have been third in a few more strides. Widow's Mite ran a good race for seven furlongs, then tired badly. McWilliams ran poorly. Arden ran in the middle of the track all the way. H. L. Coleman was speedy, but quit badly.

Scratched—42811 Pass Book, 92; 42861 Cottage Maid, 98.

Winner—B. f, by Florist—Miss Ali (trained by R. P. Brooks).
Went to post at 2:35. At post 3 minutes. Start good. Won driving; second easily. Lyryst overhauled her competitors in the stretch and appeared an easy winner, but was forced to a hard drive at the end to withstand Athena's determined challenge. The latter began slowly and seemingly did not get fully into her stride until in the stretch run, where she came on fast. Miss Fleischmann displayed early speed, but tired and swerved badly in the last furlong, cutting sharply across Iole, thereby seriously affecting the latter's chances.

Went to post at 3:00. At post 6 minutes. Start poor. Won driving; second the same. Worthington was outpaced in the early stages, but came with a rush in the stretch run and got up in the last stride. Fleuron was shuffled back on the turn, but made up ground and ran a game race. Fugurtha came fast in the stretch and appeared to be the winner seventy yards from the finish, but faltered when his rider went to the whip. Harlem Lane developed a superior turn of speed in the early stages, but tired. Talala ran well. Wellesley had no hishups and ran a poor race for him.

Sea Pirate was reserved in the early stages, moved up fast after negotiating the last obstacle and outgamed Theory in the closing strides. The latter jumped cleanly, displayed early speed and raced Balzac to defeat, but tired from her early effort. Mr. Rose fenced well and had no mishaps. Balzac was a contender for the first turn of the field. Tricotin ran out at the fifth jump.

Red White and Blue displayed a superior turn of speed and held his field safe throughout, winning eased up at the end. Segraves forced the early pace and held on gamely under punishment, showing considerable improvement. Circular Joe began slowly, but saved ground on the turns and finished going fast. Woollyn made up much ground after being shuffled back shortly after the start. Hobson's Choice ran an unaccountably dull race and can do better. False Entry showed early speed, but seemingly does not want to go a route.

Winner—B. f, by Governor Foraker—Queen Bird (trained by A. C. Ridey).
Went to post at 2:12. At post 2 minutes. Start good. Won easily; second driving. Dotterel was favored by the going, got away well, was lucky throughout and had clear sailing, wore the leaders down in the stretch run and won going away. Quartre moved up fast from the rear in the first furlong and led when straightened out in the stretch, but was poorly ridden in the worst going and just saved second place at the end. Toto Gratiot, a slow beginner, held on steadily in fourth position to the last sixteenth, where he commenced to gain rapidly. Batidor led his field to the stretch, where he turned wide, but held on well in the stretch run. Tamm, nearly left, made up a lot of ground. So So ran a fast half and finished pulled up.
Overweights—Batidor, 2 pounds; Merwan, 3; Alice Callihan, 1; So So, 4.

Winner—B. c, by Sain—Wetumka (trained by W. Whalen).
Went to post at 2:48. At post 1 minute. Start good. Won driving; second the same. Otto Stifel assumed the lead at the first furlong and won all the way, but was all out and tiring badly at the end. Sir Appleby closed up rapidly in the first furlong and was finishing gamely, wearing the winner down in the last sixteenth. Miss May Bowdish, away badly, closed a big gap and ran a cracking good race. Harbor was shuffled back on the far turn, had a rough journey home and finished running faster than everything. Floriana Belle fell away after going a prominent quarter and then came again in the closing drive. Bombardier looked big and unfit and is evidently short and can do much better.
Scratched—38600 Samar, 110.
Corrected weights—Harbor, 113.

ENGLISH TURF WINNINGS.

The Cambridgeshire generally concludes the English turf season, and after it has been disposed of the critics figure on the winning owners, racers and their sires. As far as the stallion winnings go, the smaller races during November and early December count; but the exit of the classic term carries with it the leading owners and their horses. Last year the foremost winning owner was R. S. Sievier, owner of the sensational mare Sceptre, with a total of £23,686. These figures are excelled this year by Sir James Miller, owner of Rock Sand, the Derby winner. The following table shows the amounts won by sixteen of the leading winning owners:

Owners.	Horses.	Won.	Value.
Sir J. Miller	7	14	24,668 0
J. Gubbins	4	6	18,667 0
L. de Rothschild	13	33	17,476 10
Major Eustace Loder	2	11	15,277 0
W. Bass	3	8	14,390 10
J. Musker	9	19	13,864 0
Sir J. Blundell Maple	26	51	13,810 10
Sir E. Cassel	11	25	13,674 5
J. B. Joel	9	20	11,895 0
Lord Howard de Walden	14	22	9,915 0
Lord Palmouth	2	6	8,111 0
Lord Carnarvon	11	19	8,099 0
Lord Ellesmere	4	23	7,736 10
Arthur James	6	10	7,461 10
Leonard Brassey	8	14	6,372 0
Major Edwards	7	14	5,205 0

Of the individual horses, Rock Sand, owned by Sir James Miller, heads the list with a grand total of £18,425, including his Derby victory. Next to him comes Ard Patrick with £16,470, figures which are rather handsome when it is considered that he earned the amount in two races—the Eclipse and Prince of Wales Stakes. Sceptre is to the fore again and in third place with £12,633 10s., which she captured for five races. A long string of horses have won in the neighborhood of £5,000, including Our Lassie, Quintessence, Love Charm, Mead, owned by King Edward; Oriole, Montain, Flotsam and St. Amant.

The two-year-old palm of the season falls to the lot of Pretty Polly, a filly by Gallinule, her top-notch figure being £13,506, the earnings of nine races. A colt named Henry the First, by Melton, winner of the Derby in 1885, is second best with £5,067.

In the list of winning sires an important change happened a little more than a week ago. St. Frusquin, which held the pride of

place all year, had to give way to Gallinule, the work of Pretty Polly being mainly the cause. Persimmon. King Edward's horse, made a big advance recently, Mead, Sceptre and Zinfandel contributing their share. Sainfoin, sire of Rock Sand and St. Florian, father of Ard Patrick and which is dead, made no advance. Ayrshire, Juggler and Ladas now enter the select circle of those credited with five figures. The appended table shows the number of wins for the sire, with the total amount, but it is of only those horses whose stock have won £4,500:

Sires.	Wins	Value.
Gallinule	36	26,164 0
St. Frusquin	33	25,814 5
Persimmon	23	23,492 10

GOSSIP OF THE TURF.

Hinde & Baker, of Millbrook Stud, near Lexington, Ky., deny the report sent out from Nashville, to the effect that they had sold the stallion Gold Heels to T. P. Hayes for \$4,000. Hayes has leased the racing qualities of the Brooklyn and Suburban Handicap winner from Hinde & Baker, with a view of getting him in shape to run in the World's Fair Handicap at St. Louis next summer. If the horse stands the training and is sent to the post in any event the owners are to receive \$4,000, and should he be returned a winner they are to get a per cent of the winnings. If the great horse fails to stand up under the strain he will be retired permanently to the stud. Hinde & Baker have refused an offer of \$10,000 for the horse, and say \$25,000 would not buy him.

The American Breeders' Protective Asso-

ciation, which has been in existence since 1898, held a meeting at Lexington last Monday and elected officers for the ensuing year as follows: President, Col. E. F. Clay, Paris, Ky.; first vice president, Lucien Appleby, New York; second vice president, Milton Young, Lexington; C. F. McMeekin, secretary and treasurer. Gen. Jackson, of Belle Meade Stud, at the time of his death was president of the association. Mr. O. H. Chenault resigned as secretary, handing in his report, which was accepted. It showed that a total of 357 mares had been banished from the breeding ranks and that during the five years of the history of the association a total of \$7,059 had been subscribed to its support, and that there is now in the treasury of the association \$1,686.56. The association has the sympathy of the Jockey Club, which is a liberal contributor to its support. At the meeting Monday C. F. McMeekin was made chairman of a committee appointed to levy an assessment on the members for the support of the work of banishing mares at the December sales. Other members of this committee are Hal P. Headley, O. H. Chenault and Col. E. F. Clay.

The Yeager horses that arrived at Oakland Nov. 18 should cut quite a figure in the racing there. Waswift was a high-class handicap horse around New York and Chicago this season. Irascible is a good performer. His Eminence (a former Kentucky Derby winner) ran in fine form on the metropolitan tracks, while Jane Holly broke the American record for six and a half furlongs at Washington Park.

The horses Lucien Appleby and Caliban, from the barn of Emil Herz, have been taken from Oakland over to Ingleside. It is very doubtful if either will start in California this winter, as Lucien Appleby is lame while Caliban will hardly stand up.

"The Latonia meeting will end on Thursday, the opening day of the long winter session of racing at New Orleans, and if the Crescent City Club can average as much to the good per day as has the local organization this autumn, President Bush and his associates will have quite a bundle to cut up at the annual banquet in March," says Thos. Cromwell in the Enquirer of Nov. 22. "This has been the most successful fall meet-

ing in the history of the Latonia Jockey Club, and will enable President Perkins and Secretary Hopper to carry out their plans for needed improvements in the plant and permit them to offer better inducements to the horsemen next spring. It is intended that before the next meeting a tunnel shall be constructed which will permit the entrance of patrons to the grounds afoot and in vehicles without the danger and annoyance of crossing the railroad tracks. The buildings will be given a new coat of paint. The fences will be repaired. A new paddock will be arranged and better stabling will be afforded. An effort will be made to secure an allotment of dates at the December meeting of the Western Jockey Club which will permit of racing on three Saturdays next spring. The recent spring meetings here have not put any money above the expenses for half a year into the treasury of the club, because of competition at Chicago, St. Louis and in the east. From a betting standpoint the meeting which is to end this week never had an equal here. There were more high players on the ground than were ever collected here before. While no extraordinary winnings have been made by the players, the books haven't laid up a great deal. Through the winning of an unusual percentage of the favorites in the first part of the meeting the books were hit hard, but the cold weather of the past week and the changing conditions of the track were responsible in a great measure for reversal of form, which militated to the advantage of the layers."

COAST FORM.

From early last May until the end of October several hundred horses were running at meetings held at Los Angeles, Sacramento, and Petaluma, California, and Seattle, Washington. A number were credited with notable performances. All of these horses will take part in the San Francisco and Los Angeles meetings, and knowledge of their performances is necessary to those who wish to consider intelligently the relative merits of the horses that will be raced at the two cities named. Daily Racing Form has prepared a record of the racing at the two Sacramento meetings, the Petaluma meeting, the Los Angeles October meeting and the long Seattle meeting, and it is now ready for sale at 15 cents.
